

Pay Card

Premier Payroll SERVICES

EMPLOYER SOLUTIONS

GO GREEN WITH A UNIQUE DIRECT DEPOSIT OPTION!

Our clients are able to take advantage of a convenient pay option through this unique Pay Card. Offer your employees this valuable service at NO cost to you along with NO monthly or activation fees for your employees

Your employees' pay is deposited directly onto this debit card where they can have immediate online access to account information. As an employer, you'll appreciate its simple method of managing employee expense or reimbursement accounts, bonus or commission pay and corporate gift cards.

There's no need for the cardholder to be approved; all employees are eligible! This practical pay option, offered by an independent third party provider, gives employees access to ATM locations nationwide. Employees can pay bills, buy groceries and gas, or shop online—anywhere MasterCard® is accepted!

Specializing in payroll processing, tax filing and human resource administration solutions, we can help your company maximize efficiency, while reducing bottom line costs. Our team strives to provide the highest quality of customer service with our state-of-the-art technology and cutting-edge, scalable solutions to fit your business needs.
